## PURPOSE

Stylized cheetah studies for tracing, coloring and loose cutouts.
Long-legged running profile and opposite running phase show the same subject and pose.
Every drawing role has 150, 100 and 50 mm longest-axis versions.

## MATERIALS

Plain paper for tracing; suitable card for loose cutouts.
Use pencil, coloring materials, a ruler and scissors.

## PRINT AND CHOOSE

Use the Letter or A4 edition matching the printer tray.
Print at actual size (100%); disable fit-to-page.
Measure the 50 mm bar and choose a drawing size.

## USE AND STORE

Trace or color interior marks; cut only the outer contour.
Details are drawing lines, not slits or cutter bridges.
Choose a larger size if a small feature is too fine.
Label reusable cutouts on the back and store flat.
