Earthworm tracing and cutout studies

Earthworm segmented first view / trace interior lines; cut outer contour

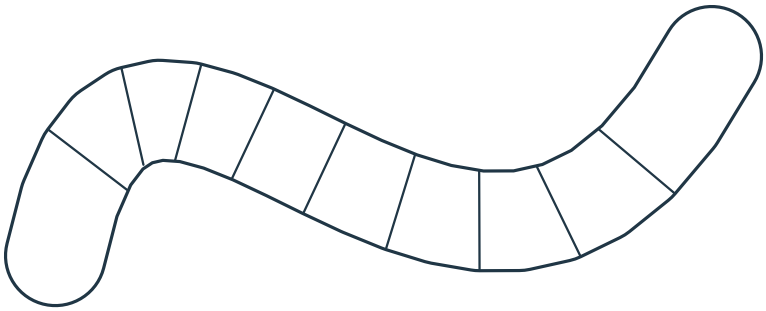

Continuous ringed body with one broader clitellum band

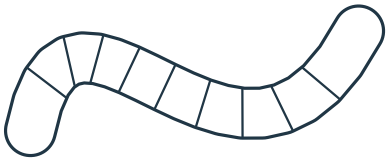

50 mm scale check / actual size (100%)

Earthworm tracing and cutout studies

Smaller segmented first view views / compare outline and detail

100 mm longest axis

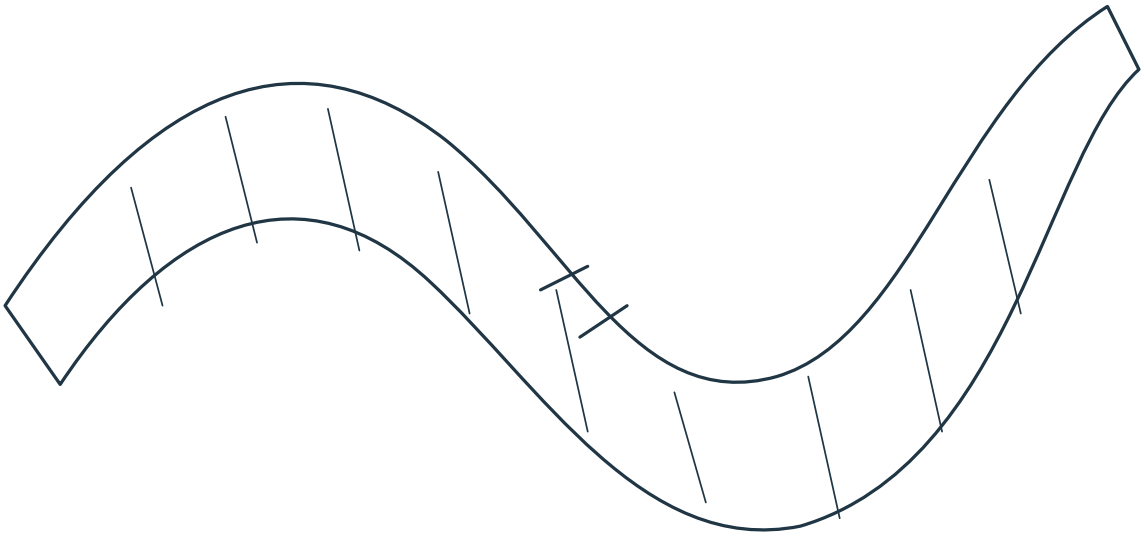

50 mm longest axis

50 mm scale check / actual size (100%)

Earthworm tracing and cutout studies

Distinct bent second view / trace detail, cut outer edge

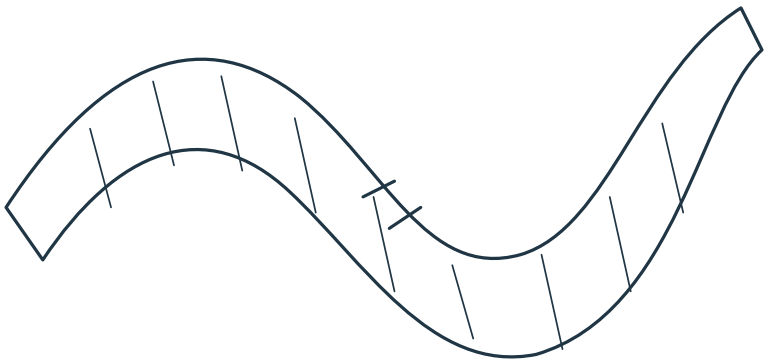

Second view of the same subject and pose.

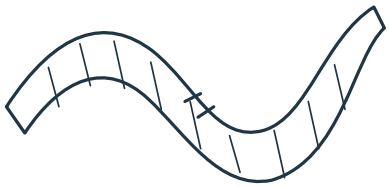

50 mm scale check / actual size (100%)

Earthworm tracing and cutout studies

Smaller bent second view views / inspect the 50 mm version

100 mm longest axis

50 mm longest axis

50 mm scale check / actual size (100%)

Earthworm tracing and cutout studies

Connected outside-only mask / no interior cutouts

Solid outside shape / inspect joins digitally.

50 mm scale check / actual size (100%)

Earthworm tracing and cutout studies

Smaller connected masks / inspect the 50 mm outline

50 mm longest axis

100 mm longest axis

50 mm scale check / actual size (100%)

Earthworm tracing and cutout studies

Use segmented first view, bent second view and solid views

PURPOSE

Stylized earthworm studies for tracing, coloring and loose cutouts.
Segmented first view and bent second view show the same subject and pose.
Every drawing role has 150, 100 and 50 mm longest-axis versions.

MATERIALS

Plain paper for tracing; suitable card for loose cutouts.
Use pencil, coloring materials, a ruler and scissors.

PRINT AND CHOOSE

Use the Letter or A4 edition matching the printer tray.
Print at actual size (100%); disable fit-to-page.
Measure the 50 mm bar and choose a drawing size.

USE AND STORE

Trace or color interior marks; cut only the outer contour.
Details are drawing lines, not slits or cutter bridges.
Choose a larger size if a small feature is too fine.
Label reusable cutouts on the back and store flat.

LIMITS AND REVIEW

These are stylized craft studies, not anatomy references.
No cutting-machine compatibility is established.
Physical printing, cutting and recognition: OWNER-WAIVED / NOT TESTED.
Reviewed digitally; physical printing and cutting were not tested.

50 mm scale check / actual size (100%)
