PURPOSE

Stylized terrapin studies for tracing, coloring and loose cutouts.
The two elevations show different, useful views of the same subject.
Every drawing role has 150, 100 and 50 mm longest-axis versions.

MATERIALS

Plain paper for tracing; suitable card for loose cutouts.
Use pencil, coloring materials, a ruler and scissors.

PRINT AND CHOOSE

Use the Letter or A4 edition matching the printer tray.
Print at actual size (100%); disable fit-to-page.
Measure the 50 mm bar and choose a drawing size.

USE AND STORE

Trace or color interior marks; cut only the outer contour.
Details are drawing lines, not slits or cutter bridges.
Choose a larger size if a small feature is too fine.
Label reusable cutouts on the back and store flat.
