PURPOSE

Four travel coloring scenes: a route-planning table, a boat crossing, an arrival street, and an open journey journal.

DRAWING FACTS

Four 184 x 174 mm panels. Letter and A4 keep the same art size. Map folds, buildings, water lines and journal sketches are coloring details, not cut marks.

MATERIALS

Plain paper, coloring pencils or pens, and a ruler for the 50 mm reference bar.

USE

Choose one scene and print the matching paper edition at actual size. Color directly, or trace a favorite travel detail onto another sheet. Keep the outer border as a drawing frame.

CHECK

Confirm the 50 mm bar after printing. Try coloring materials in a margin first. These are imagined travel settings; the simple outlines leave room for your own colors and details.
