Retirement coloring scene collection

PURPOSE

Four retirement coloring settings: a garden work area, a reading nook with an actual chair, tea on a porch, and a small birdhouse project at a workbench.

DRAWING FACTS

Four 184 x 174 mm scene panels. Letter and A4 keep the same art size. The outlines leave open areas for coloring; interior lines are drawing details rather than individual cut paths.

MATERIALS

Plain paper, coloring pencils or pens, and a ruler for the 50 mm reference bar.

USE

Choose one scene and print the matching paper edition at actual size. Color directly, or trace a favorite detail onto another sheet. Keep the outer border as a drawing frame.

BEFORE YOU COLOR

Measure the 50 mm bar after printing. Try coloring materials in a margin first. The porch tea objects are small, and the workbench tools are simplified decorative drawings.
