Christmas picture bingo

30 different full-size boards | one caller set | 24 pictures

Before you start

Give each player a different numbered board (pages 2-31).

Print the calling-card page once; cut out all 24 cards and shuffle them.

Use small coins, reusable counters or pencil dots to cover squares.

For 30 players, bring enough counters for everyone or use pencils.

Play

The caller draws one card at a time and shows or reads its picture.

Each player covers that picture on their board. The center FREE space counts as covered from the start. Keep drawn cards visible for checking.

First to cover five in a row - across, down or diagonal - calls BINGO.

Check that row against the drawn cards before announcing a winner.

If more than one player finishes on the same call, they share the win.

Another round

Clear counters or use a fresh board copy, reshuffle all 24 cards, and play again.

Print choice

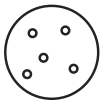

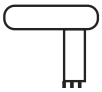

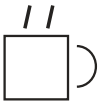

One full-size board per sheet keeps pictures and 9 pt labels easy to scan.
